Friday 10th July, Annual Golf Day, East Herts Golf Club, Buntingford, Herts, SG9 9NB

OUR PRESIDENT WRITES

John Gregory
Hertfordshire RFU President

The season 2019/20 should have been the second half of the Hertfordshire RFU dream ticket of President, Peter Baines (St Albans RFC) and Vice-President, Richard Milnes (Old Albanians RFC).

Sadly, this was not to be. Peter passed away on 31st October 2018 and Richard, who so ably deputised for Peter, has had to stand down for serious family reasons.

I am honoured that you have elected me to serve as President in succession to these two giants of Hertfordshire rugby, a very daunting task. Both represented clubs from the city of St Albans and I am privileged to be a member of the same one as Peter. Two other long serving officers of the County stepped down at the end of last season after many years of service:-

Fred McCarthy (Stevenage Town RFC) – Originator and administrator of the Hertfordshire/Middlesex Merits Tables. The tables were founded in season 2002/03. Fred, ably assisted by “Foggy” Atkinson (Welwyn RFC) and, lately, by Bob Moore (Stevenage Town RFC), has, throughout that period, organised and managed those tables. The inaugural season had 12 teams from 12 clubs and last season had grown to 61 teams representing 40 clubs. Thank you Fred, we wish you well in your retirement and hope that you continue to enjoy your pastime of Green Bowls.

David Toon (Fullerians RFC) – Our long serving Director of Rugby. After fifteen years, coming through our junior representative rugby ranks, progressing through the Schools of Rugby, managing the DPP (Developing Player Pathway), our partnership jointly with the RFU and Saracens and, of course, managing our senior representative teams in the County Championships. His record has been impressive – Bill Beaumont County Championship (adult male) runners up in 2018; a near miss this year for another final – this time with the Gill Burns Division 2 Women’s County Championship losing to a try in injury time away to Leicestershire; Jason Leonard Under 20s County Championship (male) a second successive semi-final appearance – 3 in the last 4 years. Congratulations to David and his hard working teams of managers, coaches and players. Thank you David for all the evenings, weekends and hours spent advancing the playing and coaching side of the County’s activities. All of this while pursuing a very demanding career.

The recent AGM introduced some personnel changes to the make-up of the Board and the Executive, occasioned by the items listed above. Adrian Sparks (Hertford RFC), our hard working Honorary Secretary, moves into the Chairman’s role. He is succeeded in the role that he vacated by Simon Embleton (Cheshunt RFC). Simon has covered the roles of Membership Secretary and International Ticket Secretary for the last two years and is followed into those joint roles by Diane Wyatt (Datchworth RFC). At the time of writing, the post of Director of Rugby was unfilled. The remaining existing personnel were confirmed in post. I wish all of my Executive colleagues a successful and enjoyable year in office and thank them for their continued support.

The Landscape of our game continues to evolve and so does the structure of the Hertfordshire Rugby Football Union. It is a dynamic organisation and is constantly under review for restructure to reflect that changing landscape. It is our challenge to work with those changes and retain the integrity of the sport in the process. With the growth of both Junior and Women’s rugby in the last 20 years or so, Safeguarding has become of major importance. We are lucky to have been well served by an excellent team in this area, headed by Tim Bonnett (Hitchin RFC), and I feel that it is right to commend them on the work done in sometimes difficult circumstances.

Rugby is a physical contest allowing a level of bodily contact that would not be tolerated in other sports. In the heat of competition tempers can be raised both on the pitch and pitch side. The character building element of our game is that those passions are contained and that the vagaries of fortune are met with equanimity. Fine concept but in practice the emotion of the occasion breaks through. It is then that offenders are summoned before our Disciplinary panel. There is a role rarely mentioned or commended but it is their duty to uphold the core standards of our sport. As such they carry out a necessary function to maintain our standards. Thank you to all of their committee members and especially John Knighton (Old Albanians RFC) and Paul Doyle (Old Albanians RFC) who chair and administer.

I have highlighted these two areas above as their activity is largely hidden and the work undertaken unseen by those of us outside. They are both guardians of our game. Safeguarding looks after our future players and Disciplinary is necessary for the continuing well-being of our game. Their members are volunteers with a breadth of experience both inside and outside the game and are excellent representatives of the volunteers required to administer the County's rugby activity.

Hertfordshire Rugby Football Union has a total of 152 identified posts. 141 of these are filled by 110 volunteers, all unpaid. They give of their time and effort freely and with passion and enthusiasm. Each one brings the benefit of their experience and knowledge to the roles that they perform. All are members of our affiliated clubs or our sister organisation, the Hertfordshire Society of Rugby Football Union Referees. Some are active in their own club management or are active referees, some are both. Each person is essential to the well-being of the County and their continuing efforts are appreciated by the whole Executive Committee. I wish to express my appreciation to all of our volunteers across the county.

Let us look forward to a challenging but successful season 2019/20, our 84th.

John Gregory

FROM OUR CHAIRMAN

Adrian Sparks
Hertfordshire RFU Chairman

The A.G.M. on the 17th June 2019 saw me move from being the Secretary of Hertfordshire R.F.U. to become the Chairman of Hertfordshire R.F.U. Firstly congratulations to my predecessor John Gregory on becoming President and congratulations to Simon Embleton on taking on my old role as Secretary. Recently our Independent Director Ian Bell challenged the executive members and officers to set out their vision for Hertfordshire Rugby.

I wrote "to provide fully inclusive opportunities for playing and watching rugby and in doing so support our game and sustain it." That sums up what I want to work towards achieving as Chairman. I have to say that I was delighted at the AGM to see the progress that we have made in communicating with you for you to have a good understanding of what we as a body stand for and strive to achieve. Your support in terms of your agreement in principle to increased subscription fees to fund the services that we provide was much appreciated.

In my role as Chairman I will this year have many challenges to meet as the game and its administration continues to change. Firstly, at the A.G.M. we introduced a "board" into the management of the union. The new board will, like the executive, be answerable in the end to the general committee (Forum), which is of course the clubs! It is with the general committee that the ultimate power in Hertfordshire Rugby sits as they can dismiss the board and executive at any time. The board, which consists of the President, the Chairman,

FROM OUR CHAIRMAN

the Vice-President, the Secretary, the Treasurer, the Independent Director and the R.F.U. Council Member for Hertfordshire, will be responsible for the strategic planning and the implementation of our business plan. The executive committee consists of all the board members plus the seven area directors Community (Age Grade) Rugby, Game Development, Communications, Club Development, Marketing, Youth Player and Women's Game Development and finally the Director of Rugby). The R.D.O and the R.F.U. Area Manager attend meetings in an observing and consultative role. The executive will be responsible for overseeing the various activities that make up the day to day running of the Hertfordshire Rugby Football Union and with the board set the strategic direction and plan for the future of the union.

I have many areas to tackle this year in Hertfordshire Rugby, my priorities are:-

- 1) The continued improvement in communications within the union.
- 2) The retention and recruitment of players to stop the decline in people playing the game.
- 3) The development of coaching skills at all levels in the union.
- 4) The management of the ever shrinking finances to deliver the best product for the membership.

To enable me to achieve these, I will be dependent on a very large team of volunteers who give of their time freely. These range from the officers and directors of the union, through the managers and coaches of various county based teams and initiatives, to those club volunteers running our clubs in Hertfordshire. I know we have a list in Hertfordshire rugby that has in excess of 110 people. While on the subject of volunteers, I know that we have some clubs with, in excess of 100 volunteers involved in their clubs in a wide variety of roles. If we say that on average when, allowing for the smaller clubs, we have 50+ people per club volunteers and we have 30 clubs then we have about 1500+ people involved in rugby in Herts on a voluntary basis! As chairman I want all those people to know that we appreciated the efforts they make.

I would like to take this opportunity just to thank David Toon for all his efforts over the years and most recently in the role as Director of Rugby. David has made a significant contribution. We wish him every success in his role as the Director of Rugby at Fullarians and I am sure that at some time in the future he will return to a wider county role.

He was to be succeeded by Calum Harris but at the time of writing this, we have just received Calum's resignation having been elected to the position in June. If that was not leaving a big enough hole on the same day as Calum resigned, Mark Thompson resigned as Director of Communications. Both people resigned for personal reasons. This will make life very difficult for us in the first few months of the season and I would ask for your understanding as we attempt to replace these key people.

By the time you read this we should have launched the new website. On top of this secretaries, chairmen, general committee members and county members will have received a couple of e-mails from me entitled "chairman update". These will be part of the strategy to continue to improve our communication strategy. The e-mails we hope to expand into a monthly "chairman's newsletter" (when we find a new Communications Director) in which I will attempt to keep you abreast of what we, the county, are doing for you, our clubs. It would also be good to use this medium to tell people what others, clubs and individuals, are doing in the county.

So together we face many challenges as our game enters the 2020s and addresses the issues that now exist within the evolving landscape of our game. My aim is to attempt to deliver the vision I stated at the beginning of this article and develop the Hertfordshire Rugby Football Union into being a "fit for purpose institution" able to deliver our game to everyone.

Adrian Sparks
Chairman | Hertfordshire Rugby Football Union

SECRETARY'S REPORT

Simon Embleton
Honorary Secretary

When Adrian Sparks and Ian Bell approached me, regarding taking on the role as Secretary to Hertfordshire RFU, I did not hesitate to accept as I knew I would be joining a team that was passionate about rugby, and one that wants to move the game on, and do the best it can for all the Hertfordshire clubs.

Many years ago, David Bird, an Honorary Life President of Cheshunt RFC and a Past President of Hertfordshire RFU, asked me if I wanted to take on a role within Hertfordshire, but the time was not right as I was 3rd team captain at Cheshunt, coaching a junior side and was Cheshunt's

Club Secretary.

Now I no longer play I have more time to commit to the behind the scenes activities (although I have been roped into coaching an age group again and continue to be Cheshunt's secretary!). Last season I took on the roles of Hertfordshire Membership and International Ticket secretary, which meant I was working closely with some of the present committee members, and so made it a lot easier to accept my new role as secretary.

Already, I have seen the vast amount of work and effort that goes into maintaining Hertfordshire rugby's high standards, and I'll do my best to keep up with those standards set by my new colleagues.

Here's hoping that all the clubs in Hertfordshire have a rewarding 2019/20 season, and that we also continue to enjoy the game for all the right reasons!

Simon Embleton
Hon Secretary | Hertfordshire Rugby Football Union

MEMBERS' ANNUAL DINNER

WEDNESDAY 4TH MARCH

**PORTERS PARK GOLF CLUB,
RADLETT, HERTS WD7 7AZ**

DIRECTOR OF COMMUNICATIONS

Chris Pike
Director of Communications

Hey there everyone. I'm excited to be taking on the role of Director of Communications for the coming season. Having spent the last 6 years working with the Exec and the wider board on specific elements of the digital presence of Herts Rugby, it's about time I took a step up and focused on the bigger picture.

My playing career was...amateur and short, mainly owing to the fact I'm made of biscuits, however, you may recognise me from the GMS training sessions organised by Tom Redfern and the RFU.

So what's in store for the coming season? Well, my aim as DoC is to get better and more lines of communication to You, the clubs, players, parents and otherwise involved with rugby in Herts. Building off of some of the amazing existing databases, contacts and comms that have come before and moving that forward by embracing technology to help us reach you and equally as importantly – help you reach us.

I firmly believe that in order to make something better, you need to make sure that your baseline is strong and that's where we're going to be starting. A new website has been developed and we are looking for YOU to help make it an effective tool for getting the RIGHT information to the people who need it across the county. In addition to this website we will be utilising marketing tools to help get information to you, where you want it: do you read all your messages via email? Great, that's where we will send them, more a fan of getting your news directly into your Facebook Messenger? Fantastic, let us know.

With that in mind, the first thing I need from you is to go to: www.hertsrugby.co.uk/comms and fill in the form you'll find there. This is the start of our journey together and will help me get an idea of what YOU need from your County's Comms team.

I look forward to hearing from you all and if you have any questions please:

Email: comms@hertsrugby.co.uk
FB messenger: @chrispikeuk (or <http://m.me/chrispikeuk>)
Call: 07531 108157
WhatsApp (that's right): 07531 108157 (or <https://wa.me/4407531108157>)

Chris Pike
Director of Communications | Hertfordshire Rugby Football Union

FINANCING THE UNION 2019/20

Amy Welch
Herts RFU Hon Treasurer

We are facing challenging times with regard to county finances. These challenges are faced in the game from the very top down. Our main source of finance, provided by the RFU, has fallen this year. This is due to RFU annual income falling which inevitably has a knock-on effect.

For the 2018-19 season, we expect the final figures to show a small loss, which is a relatively good result set against the back drop. The final accounts will be processed and audited by our accountants and will be available by the December Forum Meeting.

Our county reserves continue to be healthy, but we need to continue to work hard to protect these. Each area Director has been tasked with looking very carefully at expenditure and to find ways to ensure funds are allocated strategically to ensure all planned activities can be supported, despite the tight finance situation.

We have also increased club subscriptions as well as individual and family membership subscriptions for the first time in over a decade in an effort to increase income. The fees levied remain very reasonable and feedback from our membership to date has been very positive in support of our efforts.

More than ever, we rely on the kind support of our main sponsor ProCo and all our other sponsors featured in this yearbook to allow us to deliver all the activities we plan to. Any additional sponsorship opportunities that members may be able to send in our direction would be greatly appreciated.

Our Director of Club Development, Colin Ashwood, has delivered some fantastic work on a new schemes to be launched in September 2019; (i) inviting clubs to apply to the county for small loans short terms loans of up to £5000 to support named projects and, (ii) county members to apply for bursaries, grants and hardship payments. Normally it would be expected that clubs would support their own members for attending courses and events and provide necessary equipment and facilities. There are however cases where this is not possible or it is not for the club's benefit, or the individual is not a member of a club. This is very exciting for our membership and we hope it will make a real difference, quickly and without excessive red-tape and administrative form filling.

Amy Welch
Treasurer

MARKETING SUMMARY

Steve Waller
Marketing Director

Another busy and exciting season for Marketing in 2018-19. Herts Rugby enjoyed some fantastic functions during the course of the season, many thanks to my colleagues on the Marketing Committee for their assistance in organising these events.

The first of which was the Members' Christmas Lunch at the RAF club, always a pleasant afternoon in the company of friends from across the County and beyond, put together by Jon Clapham.

John Atkinson organised another wonderful Members' Annual Dinner, held at Porters Park Golf Club in March. We were pleased to welcome RFU President Chris Kelly and were entertained by the very funny Sol Bernstein. This event is sponsored by our friends at BPC.

The County Supporters' lunch at Hertford RFC, before the Men's County Championship match against Gloucestershire, was again sponsored by The BOBS, we are very grateful for their continued support to County rugby and they are often found supporting clubs of all levels across Hertfordshire, they enjoy rugby at all levels, our thanks to Mark Elliott for putting this together.

Finally, another BPC sponsored event, the Annual Golf Day, Les Clark and Colin Haslam organise this fun day out at the beautiful East Herts Golf Club, a report on the day can be found on page 44.

Thanks to all our sponsors and advertisers, without whom it would be very difficult for Herts Rugby to continue to operate in the same manner. With the various deals and packages that they offer, they collectively contribute in excess of £27k into the County coffers every season. Running the County programme is becoming increasingly expensive, we are always on the lookout for any additions to our list of sponsors, if you know of anyone who might be interested, please point them in my direction, contact details are at the front of this book.

As well as those mentioned above, we must also thank Unidays for their support at the Returning Students festival, Tiki Tonga for the County match balls, Tylers Sportswear for the County Shirts and other contributions, BPC for also doing the County shorts and the London Trophy Company for supplying various awards and trophies. And a special thanks to ProCo, who produce such a vast array of printed pieces, including this yearbook, About Herts, menus etc.

They also produced a total of 10 programmes for the Men's, Women's and U21's County Championship matches, our U16 & U18 CB Fixtures and Finals day. My thanks to Richard Milnes for his thoughtful "Welcome from Herts RFU" and to David Williams for his accurate match day reports and his help in gathering information. Most other CBs are very jealous that we are able to produce such a worthwhile document, often a valuable memento for players and parents alike.

HERTFORDSHIRE RFU REPRESENTATIVE REPORT

David Roberts
RFU Council Representative

I hope you all enjoyed the summer! The last year has literally flown past and it's that time again to write up the view of the RFU Representative! If I start with the England senior men coming second in the six nations, this was an improvement in last season's performance however the side lost against Wales and drew against Scotland, so improvements are required if the side is to win the forthcoming Rugby World Cup. It's important to remember that this side drives approx. 87% of the revenue into the RFU and therefore downwards to the community game and preparing for the up-coming rugby world cup with four warm up matches is key to the success of the game both from a spectator but also from the Community game as well. Whilst the senior men came second the Red Roses won the grand slam with a number of former Herts

players making a big contribution to the squad and the great results. It's great to see the Herts clubs developing the Women's and Girl's game from which these Women and girls came from!

Bill Sweeney has now taken over as CEO of the Union and has a very impressive career to date and is already starting to make changes at the RFU, he is spending a lot of time on the road listening to key people in the game and Government. I hope to get him to Herts soon! He is also carrying out a strategy refresh and an associated set of actions to deliver the plan for the RFU. I am on the steering committee of the refresh project and will of course inform you of the activities once the plan starts to firm up. One of the most difficult tasks to take place over the last season has been the reduction in the Community Game budget. Overall it is a 10% reduction to the budget, but because there is a large percentage allocated to staff costs, the game has seen a bigger reduction in cash given out to clubs and CB's. During my visits to the clubs I have explained the financial issues encountered. Two of the main income streams are the success of the England men's team and the TV rights, and this latter activity the TV space is changing all the time. I can assure you that staff at the RFU are taking part and in some cases driving this activity forward so that the "whole" game in England has a more solid foundation to base its budgets on. Again, if you want further detail concerning the budgets etc., please contact me!

The delivery plan that the CB now uses for all its activities is now called the "Local Delivery Plan" and has been informed by the needs of the clubs in Herts. These needs were constructed by several surveys, workshops and meetings. I believe this plan is the best constructed we have ever had in Herts. Due to Herts being one of the smaller CB's we haven't seen a reduction in our budget, the budget we have seen a reduction in, is a cut in the adult rep rugby budget and CB travel expenses for the Under 20's, Senior Men's and Senior Women's matches. The Herts Executive Committee have taken steps to address this funding shortfall. The new local funding initiative has been rolled out across England over the last three months and it allows the CB's to be closer aligned to the clubs which in my opinion is correct.

Another impact onto the club game will be the change of allocation of international tickets to the clubs. I have already sent out an e-mail explaining the rationale to the change of the allocation and how the allocation is calculated, please remember it's based on XV a side games from Under 14's up and those games have to be recorded on the Game Management System (GMS) so it's vital all these games are recorded. We as a CB will be organising more GMS training sessions to help clubs

I hope to get out to as many clubs as I can over the next season either at a weekend or mid-week and I am always at the end of a phone call if any club or club member wants to discuss anything. I wish all the clubs a great season and would like to thank all volunteer in the clubs for helping in the delivery of rugby at all levels in Herts.

Best Wishes
David Roberts
RFU Representative
Hertfordshire Rugby Football Union

LOCAL FUNDING PLAN

***** Complete all shaded boxes, formulas will auto calculate & total

CLUB NEEDS

Have you engaged with your clubs to identify their needs (100 words max)

- Questionnaire sent to all clubs/contacts via GMS to ascertain need
- Initial analysis of responses done at Exec to identify priority areas
- Clubs meeting – Chairmen/Hon Secs invited to discuss priorities & spend and agree final plan
- Headline plan published and sent to all clubs

KEY OBJECTIVES

From your club engagement, what are the priority objectives for rugby in your CB?

1. Player recruitment and player retain
2. Volunteer development - coaches, referees, CB and club volunteers
3. Club grants and facilities donations - achieved by use of CB reserves

1. CORE FUNDING		25% - 30%		% of RFU	CB
Objective		Priority Actions	Cost	Allocation	Funded
Safeguarding	1.1	Provide safeguarding courses	£1,000	1.63%	£0
Competitions	1.2	Provide comps structure	£1,000	1.63%	£0
Discipline	1.3	Provide discipline committee	£50	0.08%	£0

DIRECTOR OF YOUTH & WOMEN'S DEVELOPMENT 2018/2019

Angela Clifford
Director of Youth & Womens Dev

At the end of the 2017/2018 season, I was asked by the executive if I had considered applying for the RFU programme 'Leadership in Union', having already completed the Leadership Academy. I had just stepped down as Chair of the Minis and Juniors at Verulamians RFC, having been involved in the club for many years and was ready to hand over the mantle to the next generation of volunteers. I felt I needed a break from Volunteering, so the prospect of more Rugby Commitment was not what I expected or thought I wanted. However after much persuasion from the Secretary and the Independent Director and Chair of Nominations, I found myself on the programme at Ashridge Business School.

On the first weekend of that course I was approached and asked if I would consider the above new role. The reasoning was my experience in growing the Mini and Juniors as part of a team at Club level while supporting Coaches, Players and Parents at my Club and understanding the challenges involved. I had never played the Game, or coached, but this was seen as a positive factor, enabling me to view the landscape differently and have a different perspective of the game. Also challenge the status quo on how things were done, and complement Herts RFU's vision to evolve and diversify as a Constituent Body.

The Role of Director of Youth and Women's Development encompasses the three main elements of County.

The Herts/Saracens Player Pathways for Boys u13 to u16

County Age Grade u16 Boys

County u15 and u18 Age Grade Women and Girls

Director of Youth and Women's Development is an exciting but often challenging role as the game continues to go through some fundamental changes. I am fortunate as my role takes me from Club to International level and I see the role that County CB plays in creating a platform for next aspiring International players both for the Men's and Women's Game in Hertfordshire.

I have now completed my first season and despite all the challenges, and the very steep learning curve, I now have a much better understanding of the rugby landscape from a county perspective. It is an exciting and hopeful time for the Women and Girls Game, the work that has gone on quietly at Club level for years has paid dividends. Our homegrown England Roses, Hannah Botterman, Rosie Gallagher to name just a few are an inspiration to our younger players, just like the Owen Farrells and Jamie Georges for our Boys. Saracens continue to support the County Player Pathway, and that collaboration has not just helped with player development but has also helped with Coaching Development for those dedicated Volunteer Coaches involved in that Programme. The set up is constantly being reviewed as player experience and expectation is crucial to retaining the talented players within all our Clubs that are part of the DPP.

The County Age grade U16 Boys plays a very important part in transitioning and retaining young talented players to County. The feedback from Parents and Players this season has been a positive one, but there is always room for improvement and player experience and

DIRECTOR OF YOUTH & WOMENS DEVELOPMENT 2018/2019 CONT.

expectation are crucial for the future of our County adult Game. Next season I will be working closely with the Director of Rugby to see how best to transition those Boys to both the County Representative rugby and for some perhaps England Counties representative rugby.

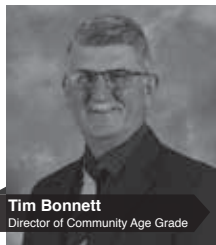

To conclude, I feel privileged and humbled to have been asked to take on this role. The support I have been given by the current members at Herts RFU and Club members has been amazing. Our rugby fraternity is unique, the game itself is the best in the world and our values are exceptional.

With this in mind can I wish you all a very successful season. Enjoy the Rugby World Cup in the months ahead, remember you have played a part in those Hertfordshire Players that will be representing England in the ultimate Competition. Well done. That is surely worth a beer! Best Wishes

Angela Clifford

Director of Youth and Women's Development | Hertfordshire Rugby Football Union

AGE GRADE RUGBY

Tim Bonnett

Director of Community Age Grade

As we look forward to a season that starts with the boost to awareness of rugby union of Rugby World Cup 2019 in Japan – with one hopes the added boost of a strong showing by England Rugby. It is pleasing to report that Age Grade Rugby in Hertfordshire is in a good place to respond to the hoped for increased demand. Key aspects to this are:

- A strong coach development programme delivered by the RFU professional staff leading to a quality coaching experience for children in clubs and schools.
- Successful acceptance of the benefits of the Half Game Rule at all ages in schools and clubs.
- Vibrant, well-run, fun competitions for all age groups including for the first time a Women and Girls end of season Festival.
- Good safeguarding practice embedded in nearly every club running a Mini and Youth set-up and the few clubs not there yet working hard to get proper processes in place.
- Outreach programmes and joint projects to link school and club activities and quality rugby development for all wanting to play.

One of the joys of my role is visiting clubs and Festivals and meeting parents and players who are thoroughly enjoying their rugby experience. Many people new to rugby remark on the emphasis on the Core Values – Teamwork, Respect, Enjoyment, Discipline, Sportsmanship – and the difference from other sports this produces. We are not just trying to teach players to play rugby but also to give them A Game for Life with social and leadership skills as well as playing skills coming from the right approach.

The Core Values cannot be taken for granted as a given. A big concern nationally and locally is the behaviour of spectators pitch-side. I was grateful after a serious incident last season that the Discipline Committee imposed a season long touchline ban on three parents who came onto the pitch and assaulted players. This was the worst incident but sadly verbal abuse and lack of respect for officials and players can be heard too often. It has no place in rugby and everyone needs to challenge inappropriate words and behaviour. If clubs need advice and support in discipline or management of behaviour, it will be given. Safeguarding training for coaches and other volunteers is available to all clubs as needed. We must all work to ensure a safe and fun environment for our children's rugby.

As part of my wider role in Player Welfare, I have been working with a number of partners to develop an initiative to support player mental health. I am grateful to the partners, Hertfordshire Sports Partnership, Saracens Sports Foundation, JOCA Rugby, Govox and Street Games for their energy and support. A number of pilot clubs will be testing the programme this season but the aim will be to make the initiative available to all Hertfordshire clubs over the next 3 years. Any clubs interested in finding out more should contact me in the first instance.

Another key piece of work in the new season will be the change in Regulation 15 related to 17 year-old players playing adult rugby. This can be a key phase in ensuring players are retained for the long-term after their youth career. Due to legislation changes, there is now a revised process.

1. A Player Approval Form – as previously a risk assessment by a level 2 coach must be completed and the player and his parents must agree to the process. In addition the player must be asked if he or she wants separate changing and showering facilities to be available when playing adult rugby.

2. A Club Approval Form – This involves the club's ability to facilitate a 17 year-old player's wishes being assessed and approved as appropriate by the CB.

Both forms must be completed and reviewed by the CB – they should be sent to me as CB Safeguarding Manager initially. Because of my regular programme of club visits during the season, it may not require a review visit but if so, this will be prioritized to prevent delay in the player being available to play adult rugby if wished.

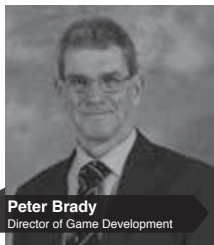

So, as ever, it looks like a busy season ahead for Age Grade Rugby and player welfare in Hertfordshire. It is just as well I enjoy my role and have the support of a great network of club officers, volunteer support and an understanding wife!

Tim Bonnett

**Director Community Age Grade Rugby and CB Safeguarding Officer
Hertfordshire Rugby Football Union**

GAME DEVELOPMENT

Peter Brady
Director of Game Development

My role at Herts Rugby during the 2018/19 season continued to be to work with the Herts clubs and Tom Redfern, Herts RDO, to develop the game within the County.

The issue of retaining and recruiting players and maintaining full fixture lists remains a matter of great concern, not just within Herts but throughout the country. Encouraging players to remain in the game or to rejoin the adult game after a break is very important to all of our clubs of whatever size. Competing demands for people's leisure time, pressures of work and concerns about injury are all factors which need to be taken into account when we look at ways in which the Herts clubs can retain and hopefully expand their player and coaching base. The number of league games that were cancelled last season, particularly in the latter stages of the Herts/Middx Merit Tables, is a matter of great concern to everyone in the game.

From the anecdotal evidence that I have received, players are content to travel reasonable distances if they are confident of having a competitive game. What deters players is a combination of long travel time/distance and the near certainty of being on the receiving end of a heavy defeat. This can result from a disparity in playing standards between teams in the same Merit Table which the organisers are doing their best to resolve, with a greater emphasis on parity of playing strengths and local derbies within each Table.

A working party led by Ross Hopcroft is looking closely at this issue with the benefit of detailed input from players and coaches. I will be continuing to offer the working party whatever support I can. Encouraging 7s rugby, touch rugby and midweek non-league are all initiatives that I will be continuing to work on with Tom Redfern and his team.

Flexibility in playing arrangements, including the RFU's Game On initiative, is something that I will be increasingly pressing the Herts clubs to adopt.

As I write this piece, consultation with the Herts clubs is underway about the future of the County cup competitions. We hope to see the Presidents Cup, Tankard and Trophy being competed for in 2019/20 but that will depend on the extent to which the players are ready to embrace those competitions on top of what can be an arduous league season.

I continue to act as the point of contact between the Herts Executive and the Herts Referees Society of which I remain an active member. The Society's training team is looking closely at ways in which they can encourage the development of new referees and help club referees to improve. I will be making sure that this initiative has the benefit of whatever organisational and financial support is available.

The Herts Society will continue to provide referees free of charge for Tom Redfern's midweek social and veterans rugby initiative.

The issue of 2nd teams etc being allowed into the RFU leagues was raised again this season. The previous vote on this issue, which was restricted to clubs at level 8 and below, resulted in a unanimous rejection of the proposal. A recent Forum vote resulted in the proposal to revisit this issue being rejected. Attempts are being made by some of the larger clubs in London and elsewhere to get their 2nd and Academy teams into the RFU leagues by forming separate clubs. This is not a matter over which Herts Rugby has any jurisdiction.

I do not believe that the issue of Herts 2nd teams in RFU leagues has gone away permanently.

The 2019/20 local funding budget includes money to help with recruitment into and development of the women and girls' game. I will be working closely with Tom Redfern and others to increase the standing of women and girls rugby, including encouraging clubs to schedule women's matches at times on Saturdays and Sundays (subject to player availability) to give those matches a higher profile and encourage more spectators to watch.

I hope that anyone who needs to talk to me about anything to do with any form of adult rugby will get in touch with me on pbrugby1@gmail.com or 07743 824230.

Peter Brady
Director of Game Development | Hertfordshire Rugby Football Union

HERTFORDSHIRE CUP FINALS

In a change from recent tradition, Herts Rugby took the 2019 cup finals to Harpenden RFC. The decision to move away from Allianz Park was led partly by financial considerations but principally by the wish to hold one of the County's prestigious events at a traditional Herts club.

A large and enthusiastic crowd were treated to 3 games of highly skillful and committed rugby. The Presidents' Trophy final saw St Albans defeat Hitchin by 22 points to 17. St Albans, who had been disappointed not to have gained promotion alongside Hitchin, dominated the opening 15 minutes of the match to establish a 15 point lead. Hitchin fought back in the last 10 minutes of the half to reduce the deficit to 3 points with 2 tries and a conversion. The 2nd half was even with no score for 35 minutes until the Hitchin left wing kicked and chased from well inside his own half and won the race to the touch down. This spurred St Albans to one final effort which was rewarded by a converted try just before the final whistle.

The Presidents' Tankard saw Harpenden celebrate their promotion to London 1 by overcoming Stevenage Town by 23 points to 12. Although Stevenage are a league below Harpenden, they worried their opponents for much of the game. Harpenden took an early lead with a converted try, but Stevenage soon struck back with a try midway through the half. Prompted by the ever-green Ian Crompton at centre, they continued to press and scored a converted try to lead 12 -7 at the break. The superior Harpenden pack gradually wore down their Stevenage counterparts in the 2nd half, enabling the team to score 3 converted tries to run out comfortable winners in the end.

The President's Cup was contested by OA Romans and Fullerians, the latter putting their league form behind them to overwhelm a young OA side by 64 points to 20. The Fullerians pack proved far too strong, resulting in several push over tries and a penalty try from a scrum. OAs opened the scoring with a penalty within a minute of the start but Fullerians then racked up 33 points before OAs scored a try with 10 minutes of the half left. Before the break, Fullerians added a further try to make the half time score 38 – 3. OAs scored first in the 2nd half with a converted try, but Fullerians soon responded in kind. The lively OA backs managed another try after 10 minutes but then the Fullerians juggernaut piled on the points until the referee called time with the score at Fullerians 64 OA Romans 20.

The Herts Referees Society provided a team of officials for each cup final, all of whom maintained the Society's very high standards. Thanks are due to my colleagues on the Competitions Committee for their substantial work throughout the season and to Peter Woodthorpe and his team at Harpenden RFC for all of the work they put into hosting this enjoyable and successful event.

Consultation with the Herts clubs is currently under way on the format of the cup competitions for the 2019/20 season. The proposal on which views are being sought is that the Presidents' Cup will be competed for by the County's level 7 clubs, the Presidents' Tankard by the level 8 clubs and the Presidents' Trophy by the level 9 and 10 clubs. A finals day involving all 3 finals will be held at a selected Herts venue with all of the clubs being invited to bid for the event.

The new competition rules will be published as soon as the Herts Forum makes a decision on the cups format at its 9th September meeting.

Peter Brady
Chair, Competitions Committee | Herts Rugby

HERTS CUP COMPETITIONS 2019/20

Herts Rugby will be running a new format for the County cup competitions in the 2019/20 season.

The competitions in 2018/19 were available to the clubs as follows :

Presidents' Cup : Levels 3-5 (2nd teams) and level 6 (1st team)

Presidents' Tankard : Levels 7 and 8

Presidents' Trophy : Level 9.

Bishop's Stortford were eligible for but did not enter the Presidents' Cup.

Out of a total of 16 potential cup matches, the 3 finals and only 3 others were played as cup matches. Of the rest, 6 were conceded and 4 were played as league and cup double headers. This clearly demonstrates the difficulties that a number of clubs experienced in trying to have their players available for cup games as well as for a strenuous league programme. Set against that is the view of many that the finals day at Harpenden was a success, with 2 out of the 3 finals providing closely fought contests in front of a large and enthusiastic crowd. There is no doubt that the finals day helped to enhance the image and presence of Herts Rugby.

The structure for the 2019/20 season is as follows :

Presidents' Cup : A one off final between whichever two 1st teams out of Fullers, Letchworth, Welwyn, Hemel and Datchworth have the best league record in games against each other over the whole season.

Presidents' Tankard : A one off final between whichever two 1st teams out of Stevenage, Cheshunt, Tabard, Royston and Hitchin have the best league record in games against each other over the whole season.

Presidents' Trophy : A seeded draw involving Verulamians, St Albans, Barnet, Watford, Chess Valley and Cuffley with a 1st round (including byes), semi finals and a final.

There is the potential for a Women's Cup competition in the future. The clubs will be canvassed to ascertain the level of interest for a cup competition in the 2020/21 season with the women's and girls' rugby festivals continuing in 2019/20.

The league season for levels 7 – 10 does not finish until 19th April. The weekend of 25th/26th April is fully occupied by the Merit Table finals and Youth finals which already stretch the Referees Society's resources. If the 3 County cup finals are held on 26th April, that raises two significant issues. Firstly, the organisers will only have 6 days in which to complete the arrangements for the finals day and the clubs will only have 6 days to select and prepare their players. Secondly, the number of games on that weekend means that it will very difficult for the Referees Society to provide properly experienced officials for every match.

The cup finals will therefore take place on Sunday 3rd May 2020.

I will shortly be inviting the Herts clubs to bid for the right to host the cup finals day. The host club will obviously benefit from significant bar and catering receipts and will therefore be expected to contribute to the day's costs. Each bid will be assessed on the basis of the bidding club's ability to provide :

HERTS CUP COMPETITIONS 2019/20

- a suitable pitch for 3 cup finals in a single afternoon
- appropriate spectator facilities
- sufficient parking facilities
- changing facilities for the teams and match officials
- post match catering for about 170 players, coaches and officials in 3 sittings
- medical support
- financial support for the event.

A decision on which bid to accept will be made by the Herts Rugby Executive.

Peter Brady
Chair, Competitions Committee | Herts Rugby

DIRECTOR OF CLUB DEVELOPMENT REPORT

Colin Ashwood
Director of Club Development

It's been my first year in this role on the executive, and away from the playing successes there has been many other activities going on.

At the beginning of the year, the construction of our second AGP pitch at Harpenden was completed and ready for the season, with the hosting of the Pub Sevens. Our 2 AGP are now in use and are 2 of the most used AGPs in the country.

Also, early/preseason, our CB funded pitch maintenance programme, which was delayed due to the hot weather, was completed. 16 clubs benefitted from works carried out by our RFU contractor.

This season Barnet Elizabethans RFC & Watford RFC received visits and advice from Keith Kent (RFU head groundsman). These are always both enjoyable and

enlightening sessions from someone who is passionate about the grassroots pitches and its ground staff, which I think all those who have had the benefit of one of his visits will agree.

This year we are again delivering pitch works to 13 clubs, concentrating on training pitches.

With funding getting harder, it is more important that all avenues are understood by clubs. We held successful funding development evening and had representatives from 17 clubs. An excellent turnout. Thanks to our speakers of Kevin Brind (Fullerians RFC), Jay Bowers (RFU Area Facilities Manager) and Peter Scarlett (Bishops Stortford). In April we held the Mitsubishi Motors volunteer of the year award lunch. It was held at Fullerians RFC prior to the ladies Gill Burns Cup game against Eastern Counties. 45 people were nominated by colleagues and peers and all received a certificate and gift. All nominees were invited to our event together with a guest. 60 people attended in what was a very enjoyable day. Presentations were made by our guests Martin Woodward – Partnership Engagement Manager at Mitsubishi Motors and David Roberts RFU Council Member for Hertfordshire. The Hertfordshire winner was announced as Ross Hopcroft of Tabard RFC. He was presented with engraved flutes and champagne. He will now be invited to the National event at Twickenham where the 3 national winners will receive a Mitsubishi car of choice for a year.

Ross receiving his award from Martin Woodward

Next season I also want to have a CB volunteer recognition programme, with our own awards held in conjunction with the Mitsubishi event.

At the end of April, I attended the opening of the Botany Bay/Cuffley RFC clubhouse extension. They now have 4 independent changing rooms with their own showers and toilets. There are also 2 separate and independent officials' rooms. This provides perfect facilities where both the men's and women's game is played.

We held an RFU Leadership Academy this year funded by the RFU which was concluded with an end of course meal and certificate presentations by Adrian and me. 12 of our clubs' leadership volunteers participated.

There will be no RFU funding for the coming season, but Herts have announced our commitment, and will be self funding a programme. We are also in discussions with adjacent CBs who may wish to take some places or share and join with us.

Angela Clifford and I have also both completed our RFU led Leadership in Union Programme, which is a national programme attended by 24 CB leadership personnel from across the country.

The annual NatWest RugbyForce programme was held in June. We had 15 clubs registered, and 14 received an award of £500, most from NatWest, with the CB funding the remaining club. Special mention to Welwyn, whose project received one of the national awards of £1,000.

I enjoy visiting these clubs over the weekend where you get to meet some of the volunteers and see teamwork in action. Everyone just gets on with what they are asked to do, but also have fun doing it.

As announced at the June General Meeting we are launching a small grants and loans scheme, which we hope will help our clubs who have difficulty access some of the RFU/RFF schemes

So, a lot going on and here's to another challenging season ahead. As always, if you have any questions please ask and keep me informed of any projects you have ongoing or planned.

Colin Ashwood
Director of Club Development | Hertfordshire Rugby Football Union

INDEPENDENT DIRECTOR REPORT

Ian Bell
Independent Director

Officially one year into this new role, thanks to the members at the AGM for endorsing my reappointment for a further year. Believe it or not we have come a long way in a relatively short period of time. Those who attend the AGM and the Herts clubs forum meetings will see that as a CB we work extremely hard to both recognise and deliver against the needs of our clubs. As with your club, your CB exists and is run by volunteers who give freely of their time and expertise to run our game to the best of their ability.

Sometimes this is a real challenge as roles develop and technology progresses demanding us to change at a pace that we are not always comfortable in accepting. The RFU and you, our clubs are demanding us to operate in a more business-like manner and hopefully this is a challenge that we are meeting.

One thing that we do have is some great people and our challenge is to turn these great people into a great team. Leadership is vital throughout this process. In Adrian Sparks we have someone who is always ready to listen, take things on, get things done and expects those around him to do likewise. We are very fortunate to have a RFU representative, David Roberts, whose energy and knowledge of the game is the envy of other CB's and in my view a future RFU President. As we develop a succession plan to see us into the future we are currently in a good place however we cannot afford to stand still as the other CB's are at our heels and we need to keep our noses in front in all that we do. Of course, we will always be watching what they do and how they do it and we will certainly be very ready to adopt any best practices that they develop. This will ensure that we deliver what you, our clubs, need to make the playing experience in Hertfordshire enjoyable for all.

Looking forward, we do need representation from your club at the AGM and Herts Clubs Forum meetings. Please respond to this call and ensure that your club is represented, it does make a difference. I will take this opportunity to thank you all for your support and understanding of our financial position and budgetary challenges for the coming year in agreeing to a rise in membership subscriptions for the next season.

Our focus for the coming season will be to continue 'to be the CB that others aspire to be. We cannot do this without your continued support. Feedback is vital so please speak with your CB club representative and let us know how we are doing and what more we can do to help.

Thank You

Ian Bell
Independent Director

RDO'S REPORT

Tom Redfern
RDO

2018/19 has had its challenges for us at the RFU. Through the stresses of last summer and the work David Roberts and his team are undertaking we now face a new and exciting time. With the CBs being given more autonomy, responsibility and opportunities to make more local decision to support club and community Rugby, we are fortunate to have Adrian, David and the team of CB volunteers doing a great job for the county where we see Hertfordshire at the front of this change.

Looking ahead, what an exciting season we have ahead of us. With the World Cup taking place this provides a great opportunity for clubs to inspire a new generation of players, parents and volunteers. Fingers crossed the England team excel and for 6 weeks we get to enjoy one of the finest events in the world with the home nations right at the top of it. It would be great to see clubs maximising this event to connect with their local community and membership to promote their club.

The Women and Girls game continues to grow in Hertfordshire. We have Datchworth, Bishop's Stortford, Cheshunt, Tring & Watford/Tabard all starting Girls programmes successfully this year. The challenge for these new teams is now getting enough players to play standalone fixtures and have regular matches in place. The strength of OAs, Fullerians, Hitchin and Harpenden continues to swell with strong performances and representation in the Hertfordshire CB teams. A special mention to Welwyn U15 Girls teams who got to the National Cup Final having beaten Hitchin in the U15s Area 2 Final at Aylesbury. We are also now seeing clubs invest in the girls' game lower down in the U11s and U10s age group. With the mindset that if the pyramid is wider at the bottom it becomes easier to retain and recruit them as they go through the age groups. We have seen a number of clubs host Schools Year 5 & 6 Girls only Tag Festivals this summer to recruit ahead of next season. A special thank you to our School Games Organiser across the county who have helped deliver this initiative. The women's game continues to strengthen with OAs and Hitchin both excelling on the pitch in terms of results. But, more importantly, we now see Clubs running bootcamps to engage more with their local community and start up 2nd XV teams. Hitchin and Fullerians are both running 2nd XV teams this season which is great to see.

Our Artificial Grass Pitches continue to be two of the top performing AGPs in the country. Over the summer we hosted weekly touch tournaments at Harpenden and Cheshunt that were extremely popular and something we will do again next summer. We continue to see regular users from OAs, Verulamians, Cuffley, Hemel Hempstead Camelot, St Albans Touch Rugby and Stockwood Park across the two sites. A cheap and easy tool to manage pitch loading and maintenance that I am sure the clubs are benefiting from. In addition to the AGPs we have seen Fullerians open their new clubhouse, Royston launch their new lights as does Bishop's Stortford. We also saw Keith Kent pay a visit to Watford RFC and Barnet Elizabethans in April that will see them receive a large grant as part of their pitch maintenance program. Hertfordshire RFU continue to invest in local facilities and grass pitches with a number of grants distributed across the clubs this summer to support their training pitch quality. Finally, Hertfordshire RFU will launch their grant/loan system for clubs next season. This will give clubs the opportunity to apply for CB funds to support them with their facility plans going forward. More information on this to follow but again another more from the CB to better support clubs.

Coach Development continues to be a large part of our work. We have mentored over 30 coaches

RDO'S REPORT CONT.

throughout the season as they embark on their Rugby journey, delivered a comprehensive CPD and award course program as well as the return of the Hertfordshire Coaching Conference. The Conference was a real success with Guest Speakers Warren Abrahams, Stuart Armstrong and Richard Cheetham delivering some fantastic thoughts and opinions. In addition to the conference we have had Russell Earnshaw down to Harpenden RFC where over 100 coaches enjoyed him and Amy Price, who delivered a deliver a session on Video Game Pedagogy in Rugby. Both events were really thought provoking and again something that will take place again next season.

As always, coaching delivery by RFU Community Rugby Coaches forms an essential part of our engagement with all clubs, and the efforts from Sam Clapham and Tom Mowbray have led to more children playing rugby in schools. Their work involves late nights at training, early morning in schools and constant flexibility to provide excellent playing opportunities across the county. Being new to the role they have been a joy to work with. We have seen a number of new players and new teams start off the back of their work in the local community, so please thank them for their hard work.

Thanks for all your efforts once again and hopefully 2019 will bring a successful world cup year for our teams but also our clubs in the community game.

Tom Redfern

RDO | Hertfordshire Rugby Football Union

FRED MCCARTHY

This year's Herts Rugby AGM in May featured a presentation of a bronze Herts stag to Fred McCarthy to mark his retirement from the role of Herts/ Middlesex Merit Tables supremo.

Fred founded the Merit Tables 18 years ago in order to give lower sides the experience of competitive league rugby. Starting in 2002 with 12 teams, the Merit Tables have now grown to feature 54 Teams in 6 Tables in the 2019/20 season.

Fred's rugby career spans nearly 70 years. He began playing rugby at the age of 11, going on to referee for 25 years before becoming a fixture secretary for 35 years. 'Most of my life has been given to rugby' says Fred. 'Of everything I've done in the sport, starting the Merit Tables in Hertfordshire and Middlesex has been the most rewarding but also the most challenging. I played a lot of 2nd XV rugby myself and to give teams of that level in this area a structure has been very rewarding.' The number of players, coaches, referees and supporters who have Fred to thank for the experience of Merit Table rugby must run into thousands.

I know that everyone who is involved in Herts Rugby will join with me in thanking Fred for all of his efforts and wishing him a long and highly deserved retirement.

The Merit Tables are now in the safe hands of Foggy Atkinson, Bob Moore and Brian de Honri.

Peter Brady

Director of Game Development | Herts Rugby

SPONSORSHIP & ADVERTISING

A big thank you to all of our sponsors and advertisers, without their contributions it would be impossible for Hertfordshire rugby to continue to offer the range of services to which we have all become accustomed.

Many contribute by taking a page in this publication and we are very pleased that most have been long term Supporters' of the County, we will soon offer other opportunities to advertise in County publications and on the website etc.

We were pleased to have Unidays sponsor the Returning Students Festival at Christmas and The BOBS kindly stepped forward again at the County Supporters Lunch at the end of the season, before the County Championship match against Gloucestershire.

The London Trophy Company have joined us recently, supplying awards and trophies, Tiki Tonga continue their support and help to supply the dozens of match balls that we use every year. BPC generously sponsor the Members' Dinner, the annual golf day and the County playing shorts for the Championship matches.

Finally, of course we have ProCo. Producers of this booklet and the many other publications and programmes that are published during the course of the season. MD Giles Bowes is seen collecting last season's County Match shirt from Hon Sec Simon Embleton.

If you know of anyone who might be interested in advertising or sponsoring Herts rugby, please contact Steve Waller, 07711 071727 - sw@apsmetals.co.uk

HISTORY OF CAMELOT

Hemel Hempstead (Camelot) RUFC Celebrating their Centenary.

History of Camelot Sports Club Rugby Section 1919 – 1921 Camelot RUFC 1922 - 1927. Camelot RUFC 1935-1939 and 1951 to 1970. Hemel Hempstead (Camelot) RUFC 1970 to 2019.

The beginning 1919-1927. Was a Sports Club called Camelot who played football first and then started playing Rugby. Early games of Football were played on the moor towards Bourne End not far from the Highway Man's Memorial white stone the site was known as Gees Meadow. Changing was done at The Swan Public House near by. It is believed that they started in White Shirts but later graduated to Blue and White stripes. The Rugby Club evolved from the Football Club believed to have had their first game in 1919 see photograph in Clubhouse. In 1921 there was a report in the Press of a team made up from Old Boys from Adders House at Berkhamsted School Played other Adders from Watford and Kings Langley at Heath Brow, Heath Lane the site of the present Hemel Hempstead School. The home side won 21-5 and money was raised for Charity. Rugby started in earnest in the 1922 season and continued until 1927. In 1922 sides played included Halton No. 3 Section RFC, Royal Masonic Schools, West Herts "A", Eastern Telegraph School and others. Home games were played at Gees Meadows. We have a filled in Fixture Card from the Season 1926/27 with only Old Fullerians from Hertfordshire Luton from Bedfordshire, the rest were London or services sides. In 1927/28 Camelot were short of money and Lazard bank who played at Sunbury were short of Players so the Club disappeared for a while.

1935 to 1939 Little was recorded of this period we know one J T Marshall was Treasurer at its rebirth with less than £5 to play with. He played throughout its life and Les Cox was Captain The three Winfield Brothers played and maybe Ray Fisher. They sometimes ran two sides. They played mainly local sides Home games at Wood Farm (Mr Fisher's) changing in a cow shed.

1951 to 1970: Ray Fisher and Jack Marshall arranged a meeting at Boxmoor Hall for new players to restart the Club. Camelot was reconstituted in 1951. Early games again took place at Wood Farm but in 1953 with the assistance of the Borough Council the Boxmoor Trust and the New Towns Development Corporation a site was found at Chaulden Lane. The Clubhouse was built between 1953 and 1955 in two phases with much input from the members. Phase 2 cost just under £1000. On the Rugby field the Club slowly developed winning several 7 a side Tournaments in the mid 50's. After one or two more additions the Club was officially opened in 1957. By 1958 were running three sides. By 1959 to 1963 were running five sides and an occasional 6th and a Colts Team. In 1967 the Barnet Sevens were won. In 1970 with a Rugby side starting up in Adeyfield the Club name was changed to Hemel Hempstead (Camelot) RUFC. Around that time Peter Raymond moved into the area and joined the Club having previously played for Old Surbitonians and Richmond First Team.

1970 to 2019: Peter Raymond raised the bar around this time and made the players look at what could be accomplished, at the same time we were getting strong support from a number of schools notably Cavendish with Welsh Teachers and the skill level from Colts upwards was good. Between 1973 and 1980 the First Team reached the final of the Presidents' Cup five times but managed to win in only 1975. However at that time we won the Colts Cup twice and the Herts Sevens of 1974 (and 1977) Thus holding the three main Trophies that Herts Clubs played for. In 1975 to 1976 we had a £34000 extension to our Clubhouse creating the Camelot Bar and new changing rooms. Opened by David Duckham in 1977. Mini Rugby was started in the late Seventies by Alan Corner but was not followed up. In 1978 we beat Saracens at Southgate in the fifth round of the Middlesex Sevens and then losing to Rosslyn Park at Twickenham they had John Scott and Andy Ripley. In 1979/1980 the Council built us an enlarged carpark with great drainage. At about the same time Club Lunches were started by Ray Fisher, Jack Marshall and Jon Clapham. In 1980 we celebrated our Diamond Jubilee which included a match against most of the 1980 England Grand slam side put together by Roger Uttley. Around this time different factions in the Club fell out and there was a bit of an exodus. In 1986 Joe Weed helped finance a £25000 Dining area extension to the Club. The Club continued to run 5 sides but highlights were few until the coming of Leagues in 1987. We won the Herts 1 League at our first attempt and were promoted to London 3NW. Shortly after that we won the Herts Sevens again and reached the final of the Kinsale Sevens with a little assistance from Monmouth. We have been up and down the Leagues since then occasionally winning a League and have had several County Cup wins in the Tankard and Trophy. Youth Rugby and Mini Rugby got going in earnest at the start of the 90's with Tim Bonfield running the Minis I believe we have held several Mini Festivals making much money for the Club. We have run successful Youth Teams U13 to U18 for many years now and never more so than now. Our Lunches 4 Course with Wine and Port are famous and are cooked by Toni Massa and our thanks to Pat Herlihy who gave us so much meat. We are currently debt free and upgrading our front Bar but looking to move to a new Clubhouse soon. On the field like all Clubs adult rugby is struggling but we still run 3 senior Sides and all the Youth and Minis. Thanks to all our Sponsors over the years.

JASON LEONARD COUNTY CHAMPIONSHIP REVIEW

The Hertfordshire Stags started their Jason Leonard U20 county championship at the start of February after a good pre-tournament training program including two training matches against a Hertfordshire select U23s side and the OAs Academy. This season's group stage was going to be a challenge with two away matches and newly promoted Sussex looking strong. The Stags excelled themselves however, winning all 3 pool games and our forwards were generally dominant in the set piece laying the platform from which we scored some excellent tries. Unfortunately we had a habit of letting sides back into the match through poor discipline and overplaying. Kent was especially tight after taking a commanding lead early in the 2nd half we eventually won with the final kick of the game, in fact two of the matches were last gasp wins coming from behind in injury time. With a young and relatively inexperienced squad, playing a more controlled and structured game was the main focus for the coaches going forward. By winning all three group games and securing two 4 try bonus points we topped our group and secured a home quarter final v Cornwall.

Cornwall were a big strong side but it is a long coach journey from Redruth to Cheshunt and we caught them cold off the coach scoring two early tries. Hertfordshire had improved defensively and were well in control of the match at half time. Our backs showed more control with the ball in hand with half backs playing a better territory game and structure in attack. This was a game we never really looked like losing.

The open draw went in our favour and we gained a home semi-final match against Lancashire. Lancashire played a very strong physical game and started well despite a long coach trip down that morning. Hertfordshire took the lead but the Lancashire pack were very powerful – especially in the front row and a series of Hertfordshire errors and penalties against allowed them to control the territory and lead at half time. A Lancashire red card early in the second half gave Hertfordshire hope but against the biggest pack we had faced all season our usually reliable set piece went missing at crucial times. The final result was a 12 – 22 loss and the U20s season finished once again at the semi final stage – one game shy of a trip to Twickenham.

The positives from the season were many – 2 players Luke Bouchier and Matt Ramzan were selected to tour with England counties U20s after representing the London and South East along side 5 other Herts players – once again the highest representation by any of the LSE County sides. In addition more than half of the semi final squad are U19 players (including nearly the entire backline) in addition to the number of players that were not selected for the matchday 23 but were valuable members of the squad. If all those players commit again next season, we hope to go into the 2019-20 season with much more experienced side and a well established style of play to once again challenge for the Championship.

The Coaching team would like to thank all the players for their commitment and effort during the season – there was a lot of travelling back from university for many – and wish those whose time with the U20s squad is now over all the very best with their rugby in the future.

Ash Walsh

COUNTY CHAMPIONSHIP REVIEW

Representing Hertfordshire always has that special feeling, bringing together new and familiar faces, building positive relationships whilst sharing the same vision both on and off the field. The role for us as coaches within such a small time frame aims to create a positive and enjoyable environment whilst developing confidence and collaboration. Every County Championship that I have been part of is always an exciting prospect and 2019 was probably one of the most extraordinary campaigns that I have been involved with in recent years. A number of players from last year's squad that reached the County Championship final were unavailable whether it be through injury, ineligibility or requiring rest and recovery following a tough season, which meant throughout the championship we had awarded 20 new caps. This provided many players the opportunity to take charge and own their playing shirt not only for 2019 but for future campaigns.

In our first game versus Hampshire we awarded 13 new caps with an impressive 6 players under the age of 21. Whilst the squad was relatively young there was a sprinkle of class and experience

in the likes of Matt Hankin, Richard Streets, Sam Barnes and Nick Radley ably led by captain Rob Conquest. We played an exciting brand of rugby and were awarded 5 points with a 29-20 victory. Harry McCartney was awarded man of the match with an outstanding performance. Harry had an outstanding Championship receiving the Perter Baines Award for his excellent performances in all three matches. Game 2 versus Cornwall ended in a 37-13 defeat. However, the score line did flatter the home side, Hertfordshire throughout the whole 80 mins were courageous both collectively and individually. Small margins and being clinical cost us, we could have been 10-3 up at half time. However, two quick late tries meant Cornwall had a 17-3 HT lead and a momentum swing. We played with endeavour and intent in the second half yet Cornwall pounced on errors with costly consequences. The commitment and work rate could never be questioned with the back row of Harry McCartney, Chris West and Nick Radley particular standouts.

Our final game versus Gloucestershire was a strange affair. Unavailability and injury enforced further changes to the matchday squad with certain players playing out of position. It was evident that the entire squad bought into our vision through their actions and behaviours on the field. However, Gloucestershire played to their strengths in the set piece which disrupted our quality of possession throughout.

This year's campaign has provided the opportunity to now review and reflect two varying championships. Coaching is experiential and always based on reflection shaped by experiences. Every championship will have varying experiences. In 2018 Cornwall conceded 50 points vs Hertfordshire; 2019 Cornwall win the Bill Beaumont Cup. Having over 20 new caps for a campaign with such a young and inexperienced squad will always have its challenges when playing against seasoned National League players. Yet the focus will always be on the process and performance, as the outcome of a game does not always reflect the performance or development which was certainly the case this year. As coaches we were immensely proud of everyone's actions and behaviours throughout the campaign both on and off the field and thank everyone involved for their efforts.

Brett McNamee
Hertfordshire Rugby Football Union

GILL BURNS COUNTY CHAMPIONSHIP REVIEW

The 2019 Gill Burns Championship saw a far greater standard of play and approach by all the CB's involved and we as Hertfordshire were well prepared for this, reflected in the performances of the players and staff. This year saw some of the most incredible rugby in the decade of involvement I have had in Hertfordshire rugby representative sides - the players devoted themselves to a fierce commitment to compete in all areas of the game and all of those who watched the team this year were absorbed by the style.

The players must take great credit for all that went well this year and there were many impressive moments to remember. It seemed as though every game the players would find a way to deliver a try to go down in memory, so many tries were award winning in quality, whole team tries due to the players' desire to express themselves.

It is easy at the end of a long season to go along and play open rugby, but perhaps the greatest quality of this side has been their character, displayed most in defence. Heroic, physical bordering on brutal defence from all involved showed the pride they had in each other and their chance to play for Hertfordshire.

Throughout the sessions prior to the championship, there was great evidence of the outstanding work of the clubs and all those involved to develop the sport locally. The sheer volume of players and players of a greater standard than in previous years was staggering and this shows the game in Hertfordshire will continue to move forward. All of those involved in the community game as volunteers and professional staff should take great credit for this success.

Having so many new faces who had shown themselves as capable to come in and do a job as part of the squad, alongside some of our returning stars from previous years left us in a great place to shoot for the final.

Sadly it was not to be, for this year anyway. Despite a herculean effort game after game, none more so in the final two games, it was the very last play of the very last game that was the difference.

So many things had gone well in the semi final, in a fiery atmosphere. A few opportunities missed where we ordinarily would have executed, the rub of the green against us with some key decisions and easily a game is turned on it's head. This year, Twickenham eluded us, but so much to be proud of and importantly a player base and staff team who can take this group forward to even more success in the future.

DISCIPLINARY REPORT FOR SEASON 2018/19

Paul Doyle
HRFU Discipline Secretary

Qualified Chairmen; John KNIGHTON (Old Albanian), Adrian SPARKS (Hertford) and Jeremy GILLHAM (Datchworth)

Qualified Panel Members, Colin HASLAM (Bishops Stortford), Ian TOTTMAN (Fullerians), David ROBERTS (Letchworth), Melanie LILEY and Jack SUTTON (HSRFUR), Richard MILNES (Old Albanian), Paul DOYLE (Old Albanian), Tim MILLNER (Hitchin), Mike TUTTY (HSRFUR)

Ian TOTTMAN is the Youth Disciplinary Secretary.

The Hertfordshire Disciplinary Panels sat on 17 occasions during the season dealing with a total of 34 cases. This is an increase on last season's total of 29. These figures apply to the senior game. We still have 1 case outstanding, this is awaiting a court decision. Of these cases 32 were admitted, 2 not admitted both being found not proved.

The breakdown of offences are as follows;

Punch or Strike	13
Dangerous Tackle	5
Strike with the head (Citing)	1
Stamp	2
Spitting	1
Tip Tackle	1
Trip	1
Match Official Abuse	5
2 Yellow Cards	2
Conduct Prejudicial (5.12)	3

The panel also assisted with internal club discipline on 3 occasions

This season the panels were presented with several very difficult cases to preside over as well as a number of law changes. This resulted in some lengthy deliberations and discussions to reach the correct results. The 18/19 season being the busiest for the panels for some 5 years.

The 2018/19 season saw a rise in the number of Match Official Abuse cases in Hertfordshire, the national trend being a reduction in cases. The panels will continue to deal with this offence robustly in the 2019/20 season. You will also see that there was a case of spitting, a particularly unpleasant matter to deal with which we hope not to see it again.

We will also see a slight change in the sanctions for contact with the head area which required a mandatory Mid Range sanction, this has been changed to any act of foul play which results in contact with the head and/or neck shall result in at least a mid-range sanction"

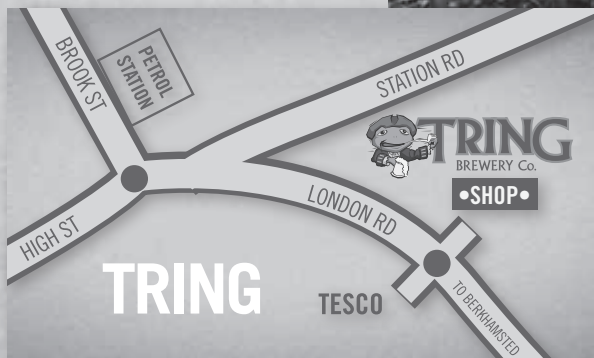

As always I would like to thank the panellists for the time they have given up, the dedication and knowledge displayed and professionalism shown in dealing with each and every case before them. As always we are on the lookout for new blood to join us in keeping our game safe, if anyone would like to know more about the role feel free to contact me.

Herts RFU Golf Day 2019

Another year and another cracking Herts Rugby event once again took place at East Herts Golf Club with this year certainly being the largest turnout for many a year. Seventeen teams of four made up from 9 clubs, five of whom entered 2 teams, two sponsors and one Past Players team all turning up. Sitting down for the dinner we were joined by The HRFU President John Gregory, 5 Past Presidents and four HRFU Exec Members mixing in well with the banter during an excellent carvery.

Some serious golf took place with newcomers to this event Welwyn coming 3rd with 86 stableford points, just pipped by Cheshunt 'B' team with 87 points in 2nd place, however outright winners for the second year running were Stevenage with 93 points. Not only did they win the Herts Golf Trophy but remembered to bring it along duly engraved. Also in addition to their outright win two of their players took the individual prizes of Nearest the Pin, Adam Amos with 2.3 ft on the 15th and for the second year James Crabbe managed to gain a prize this time for the Longest Drive with a mammoth hit of well over 400yds.

Once again this whole event was extremely well supported by our sponsors BPC and Tylers Sportswear both of whom entered teams. We are very grateful for their continued support not only in donating the prizes for this great day but also throughout the rugby season.

Tiki Tonga Coffee is a roastery
that infuses a mutual love of
coffee and sport.

Sourcing only the finest beans from across the world.
Crafting the most refined blends that Pack the Winning Punch!

Tiki Tonga think about coffee in two very different
and important ways:

Bringing people together!
Forging new relationships,
strengthening allegiances
amongst the closest of friends.
It's about 'that feeling' the love
and togetherness!

We aim to utilize the benefits of
caffeine to us as sportspeople.
Completely natural, free from
preservatives and sugar contents.
Conscience clear energy to give
that extra boost!

Whether you are a pro sport team, restaurant, café
or business or corporate office, let Tiki Tonga be
your choice of fuel and enjoyment!

Packing the winning punch!

MESSAGE FROM PRESIDENT HSRFUR

James Taylor
HSRFU President

As the new President of the Hertfordshire Society of Rugby Football Union Referees (HSRFU), I firstly want to wish all the Hertfordshire clubs the very best for the 2019/20 season. Being President of the Society is not something I ever expected to be but I am honoured to have the confidence of my fellow match officials and hope I can live up to their expectations. Incidentally, for those who don't know me, I'm the referee I am told who has the reputation for never smiling during a game. Well, I do have a tendency to look miserable when I'm concentrating, so perhaps my subsequent nickname is deserved!

As with previous years we at the Society expect to appoint over 1,500 match officials (referees, assistant referees, assessors and coaches) to about 1,000 senior and youth games during in the 2019/20 season. We aim to appoint the right competent referee to every game whether it's a level 6 promotion decider or 4th XV friendly and try to ensure every team of men, women or youths who wish to play rugby in Hertfordshire can always rely on HSRFU referees.

I think it goes without saying that HSRFU relies a lot on unsung heroes working away in the-background often unseen, sometimes un-acknowledged who make for the smooth running of the Society. Whether it's those responsible for appointments, the referee grading committee, the IT specialists maintaining our website and Who's the Ref, the myriad numbers of experienced match official development officers, the training officers or many of the other volunteers, they all give up their time willingly and freely for the love of the game. I am immensely grateful to them all.

For the 2019-20 season we will continue our efforts to ensure refereeing consistency across the county so that no matter which referee is appointed to a game the players, coaches, club officials, spectators etc. will know what to expect. We at the Society know how frustrating it can be for all concerned if laws are interpreted differently from game to game but I think our efforts over the last few years have been largely successful in eliminating this. However, we know that achieving consistency is a never-ending task so it is something we will continue to monitor.

I am sure some people will have noticed that in the last few years some questionable behaviours, perhaps borrowed from soccer, have begun to creep into our game. I am talking particularly about players appealing or repeatedly questioning match officials' decisions. This is seldom justified and for the 2019/20 season we will be taking a hard line on this. I also have to say, much perhaps to the chagrin of some, that the better teams rarely exhibit these behaviours.

HSRFU always welcome new members so if you are thinking of becoming a referee please get in touch. You can be assured of a warm welcome and, I believe, some of the best training and support offered by any refereeing society. For those of you who would like to see how the Society works, what we talk about and what training we provide there is an open invitation to directors of rugby, coaches and club officials to attend our training evenings. These are held during the season on every second Thursday of each month at the Hertfordshire Sports Village.

Finally, in this booklet are the names and contact details of the members of our executive team. Please get in touch if you have anything you wish to communicate to us or have specific praise, comments or concerns about a particular match official. Feedback is always welcome.

James Taylor
President - Herts Referees' Society

Diane Wyatt 7 Hazeldell, Watton-at-Stone, Hertfordshire SG14 3SL Tel: 07779 660902**

COUNTY TIES, AWARDS AND COUNTY MEMBERSHIP

TIES

1. The County Championship Player's tie (green with repeat motif) shall be awarded to players who have played in the County Championship
2. The County Players tie (green with repeat motif and with XV repeated beneath the motif) shall be awarded to players representing the County in non-Championship matches.
3. The Hertfordshire Stags tie shall be awarded to players representing the County in the U20 team
4. The County Youth tie shall be awarded to players representing the County in the U14, U15, U16, U17 and U18 teams
5. The County tie (dark blue with repeat motif) shall be available to Officers, members of the Committee, Executive Committee and sub-Committees and is available from David J Williams, 7, Sadlers Way, Hertford, SG14 2DZ. Price £10
6. The County Members tie (black with repeat motif and green and white stripe) is available, together with blazer badges from David J Williams (Priced at £10 each)
7. Additional County Members Tie to match County Green Blazer - wide bottle green & gold stripes with repeat Herts RFU motif: Ties £10 each, Bows £10 each, available from David Williams.
The County would, if a Club so wished and on request, permit a special tie for the Hertfordshire Presidents' Cup winner's team

AWARDS

A blazer badge is presented to 1st XV players after 5 County Championship appearances and an inscribed tankard after 12 appearances.

COUNTY MEMBERSHIP

In addition to the Clubs that form the Hertfordshire Rugby Football Union the rules allow for individual County Members.

The Members Section is an important and influential group in that it comprises in its membership those persons with an active interest in the well being and promotion of the game in general and the Hertfordshire representative sides in particular.

Every member receives a copy of the County Yearbook which records his membership, a membership card which allows a free admission to the home County Championship games and also secures free admission to the County Presidents' Tankard, Cup and Trophy Finals and the Hertfordshire 7s Competition. Whenever possible, and certainly at home championship games and the Cup Finals, a Members Bar is made available. Members are also eligible to apply for international tickets but it must be pointed out that the demand always far exceeds the supply (30% approximately). The tickets are distributed as fairly as possible. Each year the County publishes 2-3 copies of its newsletter "About Herts". This is sent freely to County Members to keep them abreast of what is going on.

We have changed the subscription structure slightly so that new members will receive a County Members Tie when they join. Individual membership is £20 a year, Family Membership (maximum two family members) is £25 a year. An application form can be found on the previous page.

Dianne Wyatt
Membership Secretary
Hertfordshire Rugby Football Union
